PRO UMANITAS

Mr. Nadkrenicinii Vladimir

From the bottom of our heart we would like to thank you for your big investment in the social ministry in Moldova. Our dream to have a charity bakery came true. Now, 3 bakers are baking 300 breads daily. This is going to elderly home, orphanage for handicapped teenagers and day program for children from needy families. Besides there ministries, the bread is distributed to needy families in three villages: Sarata-Galbena, Caracui and Vozneseni.

From the start our plans were to bake more than 1000 breads daily, but because the budget for the equipment was lowered, we don't have enough equipment to bake such big amounts. Now we ordered two more machines, fermenter and dough divider, which will help us to increase quantities of baked bread. Our bakery became a big help for many needy people. We thank you for your involvement in the ministry to poor people in Moldova.

May God Bless and reward you!

Viktor Kulyak
